## Concept & Visual Development Artist

ashtond.scott@yahoo.com | (949)-357-7021 | [www.ashtonscott.com](http://www.ashtonscott.com)

---

Concept Artist specializing in visual development and character design. Adept at turning written ideas into production-ready visuals using industry-standard tools. Contributed to award-winning game titles known for their engaging design.

### SKILLS

Conceptual Design | Visual Development | Character Design | Storytelling | Composition  
Photoshop | Illustrator | After Effects | Animate | Procreate | Maya | Blender

### EXPERIENCE

#### Freelance Illustrator

*2022-2026*

- Provided custom illustrations for clients across traditional and online media, adapting style to match each project's tone and audience.
- Delivered high-quality projects across multiple concurrent commissions, consistently meeting or exceeding client expectations.

#### Concept Artist - Smoke Break!

*2024 - 2025*

- Designed 30+ character iterations for lead and NPC roles, developing silhouettes, sketches, and final turnarounds for delivery to the 3D team.
- Played a central role in developing character concepts and visual assets for an award-winning video game created by a 40+ multidisciplinary team.
- Awards: Game of the Year Sage Awards & 1st Place Collegiate Games Challenge.

#### Concept Artist - Myth of Lumi

*2024 - 2025*

- Designed character concepts and turnarounds for the EMCEE and NPCs to be delivered to the 3d team, from silhouettes & sketch iterations to the final render.
- Awards: 1st Place Gold Prize 2025 Tencent Game Awards.

#### UI and Texture Artist - The Veiled Ones

*2024*

- Created over 30 in-game UI assets that support user-friendly, cohesive gameplay.
- Produced high-quality textures that elevated the visual style of the game's layout design while adding depth and narrative context to the environment.
